

## **SMART Kids Club**

*A Special Giving Society*

SMART (Start Making A Reader Today) is a nonprofit that envisions an Oregon where every child can read and is empowered to succeed. We engage community volunteers to read one-on-one with K-3 children who need literacy support. Participating children also receive new books each month to keep and read with their families. Since 1992, thousands of SMART volunteers have been inspiring little readers through storytelling. Together with support from the community, we are building brighter futures for Oregonians big and small.

### **About the Club**

The *SMART Kids Club* is a giving society for individuals who make minimum annual \$10,000 pledges to help fund SMART for 33 or more children.
